

## INSTRUCTIONS FOR THE PHANTOM (PHE) FORM

### I. General Instructions

The Phantom Form is used to match the phantom ID to the original ARIC participant ID for the duplicate EyeDOC reading. ORP item #11 indicates whether a participant's images have been selected for double grading.

If selected for double grading, send images to the OCT reading center twice, 2 weeks apart.

**NOTE: Phantom ID numbers are confidential. Do not send a copy of the PHE or the Phantom Tracking sheet to the reading center.**

### II. Detailed Instructions for each item

- 0a. Enter the date completed or if no paper form is completed, enter the date information is entered into CDART.
- 0b. Enter the code of the person assigning the phantom ID.
  - 1. Enter the phantom ID selected from the available list.
