

ARIC MANUSCRIPT PROPOSAL FORM

Manuscript #162

1. Title (length 26):

Chemistry IIV

2. Writing Group (list individual with lead responsibility first):

(lead) Eckfeldt Chambless Shen, Yuan-Li

3. Timeline:

First draft of M.S. is done. All data has been computed by Coordinating Center. No additional Coordinating Center data analysis time is required. Only coauthors' time for proofreading manuscript drafts will be requested.

4. Rationale:

Within individual, between individual, and reliability data for several general chemistry analytes are of interest from the standpoint of epidemiologic studies and to the clinical laboratory data interpretation.

5. Main Hypothesis:

We plan to report within individual, between individual, and reliability data for several general chemistry analytes and insulin in the manuscript.

6. Data (variables, time window, source, inclusions/exclusions):

ARIC IIV Study data on chemistry analytes.
